

## EMBA-Global Asia

**EMBA-Global Asia combines the proven excellence of the EMBA-Global programme of London Business School (LBS) and Columbia Business School (CBS) – the world No. 1 Executive MBA Programme ranked by the *Financial Times* in 2008 – with the prominence and regional knowledge of Hong Kong’s first and foremost university, The University of Hong Kong (HKU).**

**EMBA-Global Asia** is the only premier programme that offers the “power of three”.

- Learning experiences in the top **three global business cities** that drive global economy: New York, London and Hong Kong
- Unsurpassed faculty experts from **three leading business schools** whose cutting-edge insights span the globe and bridge East and West
- **Unparalleled networking opportunities** with prominent fellow “rising star” participants and three of the world’s most esteemed alumni communities
- Classes held in **Hong Kong, Shanghai, London, and New York** and other global business centres expand networking and learning opportunities
- Students take their learning back to have an **immediate and practicable impact** on their organisations, demonstrating their leadership potential and accelerating their careers
- The **inaugural class will commence in May 2009**
- Rigorous **20-month format** with flexibility of completing the programme in 16 months
- Graduates receive an **internationally recognised MBA degree** jointly conferred by top three prestigious universities: London Business School, The University of Hong Kong and Columbia University.
